Fair Policies

1. The San Luis Valley Fair is an educational activity created to evaluate each participant's progress and accomplishments through interviews, judging, showmanship, preparation of educational displays, demonstrations, etc. The fair is also a venue for promoting new recommendations and practices in agriculture, home economics, natural resources and youth programs.
2. The San Luis Valley Fair Board, composed of appointed representatives from Alamosa, Conejos, Costilla, Mineral, Rio Grande, and Saguache Counties, coordinate the fair. The members of the San Luis Valley Fair Board determine policies, approve expenditures, develop a fair program, and provide awards for exhibitors. The fair is held in cooperation with the local Colorado State University Extension 4-H program, and San Luis Valley FFA Program.
3. A 4-H/FFA exhibitor or other individual may use a "protest" to review enforcement of the rules, regulations, policies, and judging procedure. All protests shall be considered by a quorum of the San Luis Valley Fair Board. Protests must be in writing and accompanied by a fee of \$150 in cash or certified check. The protest shall plainly state the cause of the protest and shall be delivered to a San Luis Valley Fair Board member no later than 8 hours after occurrence of the alleged incident. Compliance with this policy is mandatory prior to seeking review. Judging will not be interrupted by a protest. The fee imposed shall be refunded if the matter is resolved in favor of the person bringing forth the protest. The decision of the Fair Board is FINAL.
4. All reimbursements in connection with the 2019 San Luis Valley Fair must be presented to the San Luis Valley Fair Board **before October 7, 2019**, or will be void.
5. The San Luis Valley Fair Board and staff will use reasonable diligence to insure safety of exhibits after their arrival and placement, but in no case will they be responsible for any loss or damage done to, occasioned by, or arising from any animal or article on exhibit. The exhibitors shall indemnify the San Luis Valley Fair Board and staff of all legal or other proceedings in regard thereto. The placing of any exhibit on the show grounds by any and all exhibitors shall signify the exhibitor's agreement to abide by this policy.
6. The San Luis Valley Fair does not discriminate on the basis of race, color, sex, religion, age, disability, sexual preference, veteran or marital status, or national origin in its policies or activities.
7. The mention of any company or association is made with the understanding that no discrimination is intended no endorsement implied.
8. Possession of alcohol, illegal substances, firearms, or illegal weapons, is forbidden during Fair activities. Any violation of this policy shall be grounds for expulsion from the Fair and ejection from the premises.

No 4-H/FFA exhibitor shall conspire with another person(s) to intentionally violate these rules or knowingly contribute or cooperate with another person(s) either by affirmative action or inaction to violate these rules. Violations of these shall subject such individual to disciplinary action. Their conduct in this competitive environment shall always reflect the highest standards of honor and dignity to promote the advancement of agricultural education. All leaders working with 4-H/FFA exhibitors are under an affirmative responsibility to do more than avoid improper conduct or questionable acts. When an individual or exhibitor is guilty of unsportsmanlike conduct the SLV Fair Board can suspend the privilege of the person to attend or participate in future San Luis Valley Fairs for such a period as judged appropriate.
6. The San Luis Valley Fair Board expects all individuals to practice ethical and humane treatment of animals consistent with accepted animal husbandry practices. The following are termed "unethical practices":

The FAIR BOARD will follow a course of action based upon the findings and conclusions of the examining veterinarian, official, or committee.
10. 4-H/FFA leaders, parents, and family members (over the age of 12) may assist exhibitors in fitting, caring for and handling livestock. Eligible exhibitors from the same family (siblings or same guardian) may weigh/tag family extra animals equal to 1 less than the number of family members in that project (*Example: 3 exhibitors in a market project may tag/weigh up to two extra animals*). This will only apply to enrolled 4-H/FFA members of the same family. Changing tagged and identified animals between family members will not be allowed.
13. All Market beef, goats, lambs, and pigs must be ear tagged on beginning weigh in/tag dates. Swine must be ear tagged and ear notch verified. Lost tags must be reported to a **FAIR BOARD MEMEBRS, EXTENSION AGENT or SPECIES SUPERINTENDENT**

14. Market animals are allowed to cross the scales only one time at final weigh in.

18. All animals must be on grounds and entered at the time designated to be eligible to show.
19. Animals must be shown by the 4-H/FFA exhibitor they are entered under, however, the FAIR BOARD may allow another SLV 4-H/FFA exhibitor to substitute in showing in case of illness, injury, or death. If an exhibitor has two animals in the same class another SLV 4-H/FFA exhibitor may show one of the animals.
20. All animals need to be fed and watered at least twice daily, and otherwise cared for during the Fair. Exhibitors are expected to help keep exhibit areas, grooming areas, and barn perimeters clean and attractive. All animals and other exhibits should be kept clean and in a presentable condition at all times. The SUPERINTENDENT or SLV FAIR BOARD reserve the right to feed and water neglected animals. Any animal deemed neglected will not be eligible for exhibition or the sale.
21. No parents or leaders are allowed in show ring unless the SUPERINTENDENT approves them.
22. A veterinarian will be on call during the San Luis Valley Fair. A SUPERINTENDENT or the SLV FAIR BOARD has the right to call for the services of a veterinarian in the treatment of a sick animal (if the exhibitor is not available). Any veterinary fees are the responsibility of the exhibitor.

26. Animals shall be presented at the SLV Fair where they will enter the food chain free of volatile drug residues. The act of entering an animal in the SLV Fair is the giving of consent by the 4-H/FFA exhibitor to the SLV FAIR BOARD to obtain any specimens of urine, saliva, blood, or other substances from the animal to be used in testing. If the laboratory report on the analysis of saliva, urine, blood, or other sample taken from livestock indicates

the presence of forbidden drugs or medication, this shall be prima facie evidence such substance has been administered to the animal either internally or externally. It is presumed that the sample of urine, saliva, blood, or other substance tested by the laboratory to which it is sent is the one taken from the animal in question, its integrity is preserved and all procedures of said collection and preservation, transfer to the laboratory and analysis of the sample are correct and accurate and the report received from the laboratory pertains to the sample taken from the animal in question and correctly reflects the condition of the animal at the time the sample was taken, with the burden on the exhibitor or absolutely responsible person to prove otherwise.

27. If any animal, exhibitor, or individual is being a danger to themselves or others, the SLV FAIR BOARD and/or the SUPERINTENDENT may disqualify the animal, exhibitor, or individual and take other appropriate action for the well being and safety of all SLV Fair participants.
